

SEWER TEST OWNER AFFIDAVIT

FLORIDA PLUMBING CODE
Section 312 Tests and Inspections

Gravity sewer tests shall consist of plugging the end of the building sewer at the point of connection with the public sewer, completely filling the building sewer with water from the lowest to the highest point thereof, and maintaining such pressure for 15 minutes. The building sewer shall be water tight at all points.

Permit Number: _____

Property Address: _____

Owner: _____

Telephone #: _____

Fax #: _____

I, as the owner under the above referenced permit, have tested the gravity sewer to conform to FPC Section 312. I also certify that the above referenced address is my primary residence.

Start time of test: _____

Finish time of test: _____

Signature of Owner

Date: _____

This affidavit shall be posted with the permit at the time of inspection.
